

# IntelliVue gas spring arm

SNA2-XXX-061-DP

Rotatable, liftable and tiltable heavy duty gas spring powered arm with double pin mount.

## Designed for Philips IntelliVue series:

- MX700/ MX750/ MX800/ MX850
- MX400/ MX450/ MX500/ MX550
- MP5/ MP5SC/ XG50
- MP2/ X2/ X3/ MX100

## DESIGNED FOR Philips IntelliVue series

**Specially designed for IntelliVue devices.**

The double pin mount allows you to mount any of the listed devices.

## MOUNTING OPTIONS (XXX)

**VWM**  
Wall mounting

**HDR**  
DIN Rail

**H1**  
Handle

## ACCESSORIES

**Ergonomic**  
Constant force joint that enables a safe setup

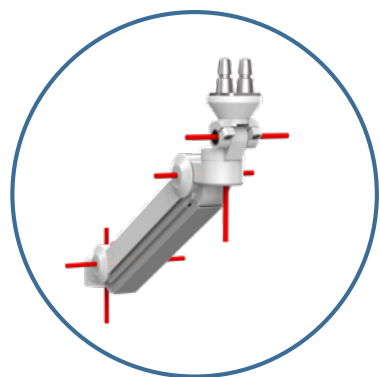

**Multi purpose**  
Wide range of devices are compatible

**Easy to clean**  
Clean surfaces with minimal dirt traps

**Durable**  
2 year warranty

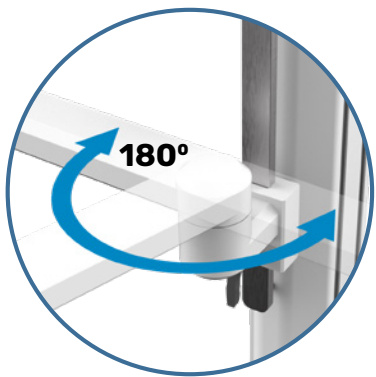

5 axes rotation

End joint torque setting

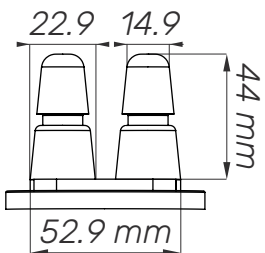

Cable management

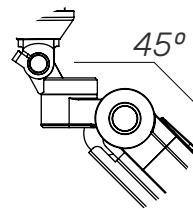

Optional angle limitation
